

C N D FESTIVAL

19th 20th 21st JUNE WORTHY FARM SOMERSET

1981

PROGRAMME

Prologue

This year's Festival will be the fifth to be held at Worthy Farm. It is also the tenth anniversary of the famous Glastonbury Fayre held in 1971.

This year we have joined forces with the Campaign for Nuclear Disarmament, adding a new dimension to the kind of event that the CND have previously organised. This most lavish production to date will also serve as a re-awakening and 'gathering-together' for supporters of the fast-growing CND movement.

An impressive list of internationally renowned performers have agreed to appear during the three-day event, some of them making special visits to this country to do so. A number of distinguished speakers have also offered their services, including Bruce Kent, Sir George Trevelyan and Meg Berekford.

A large crew of volunteer craftsmen have built a vast silver pyramid to house the 80' square stage. Though music will be the most prominent feature of this exciting Festival, there are also a host of simultaneous activities and entertainments taking place, including: laser light shows, theatre, craft and market stalls, inflatables, films, and workshops. Free camping facilities are available.

We hope that this festival will show not so much a resentment at the way things seem to be going in the world but rather how we can come together and point a way to make them better.

Childrens World

The Childrens World, nestling behind the woods in the field adjacent to the main stage area is a whole world of fun and excitement for our younger friends. If there is to be peace in this world, some hope lies in the younger generations, and this Festival is for them, just as much as for us older festival-goers. We hope that the facilities which we have provided will keep the children happy and contented, and provide an environment of creativity, fun and laughter. That, we feel, is the antidote to too much doom and gloom!

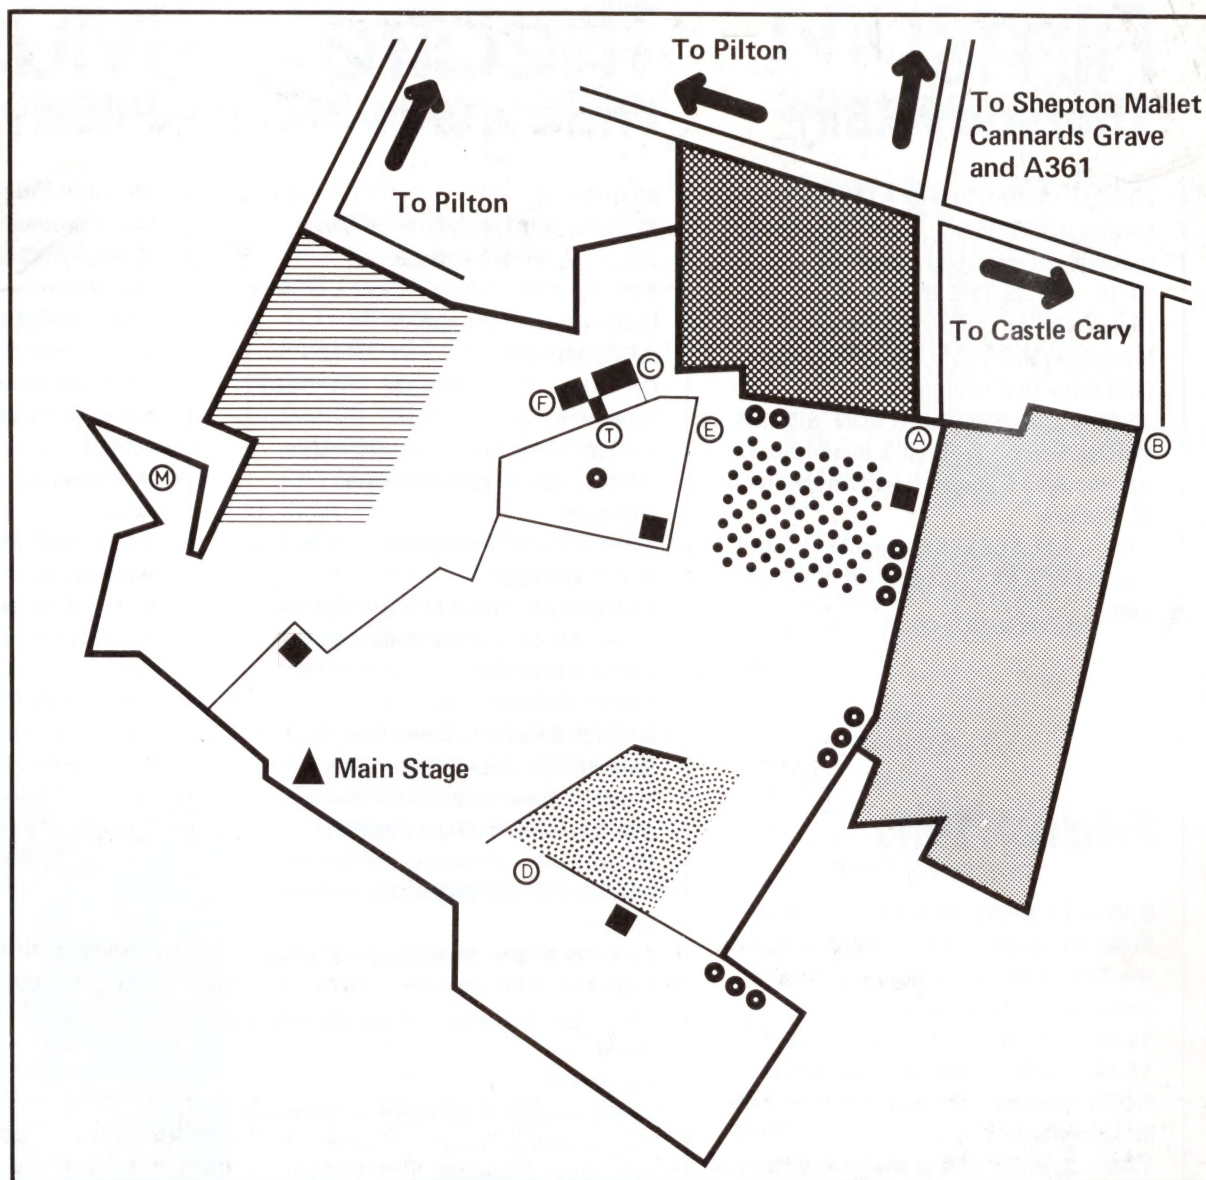

There is an adventure playground with swings, climbing frames, sandpits, and a fortress . . . and a 'Little Childrens' World with a mini-playground and play-school, run by the Stepping Stones Playgroup. Further on down the field is the Childrens World cafe, with a sumptuous spread of goodies, and also inflatables from AIRSPACE & GROUNDWELL FARM to bounce on and go in . . . and an aerial run-way. Here, also, is a marquee for workshops in pottery, silk screening, sewing, model-making, and puppetry . . . and puppet shows three times a day with JACOLLY PUPPETS, BATH PUPPETS, and PUPPET TREE.

Crossing the stream, we come to the children's stage area, where there will be performances by PALFI, the clown, ZIPPO & CO. CLOWN TROUPE, SKULDUGGERY, with fooling, clowning, juggling, and GEF THE BREATH, your friendly local fire-eater. Adjacent to the stage is the donkey-ride area, with free rides from the WESTON-SUPER-MARE DONKEYS, and a miniature 7½" gauge steam railway, giving rides all day long, Saturday and Sunday. Also on Saturday, and maybe Sunday the gaily painted BRISTOL PLAYBUS will be in attendance, with fun, face-painting, and fantasy. Lost Children will be cared for in the big marquee, but only until 8 pm each evening, when they will be taken to the Welfare Office . . . so parents are requested to check into Childrens World before this time if their kids are missing! WE WILL NEED HELP TO SUPERVISE THE PLAYGROUND, and to help generally, so ALL OFFERS OF HELP WILL BE VERY WELCOME!

A main feature in the big marquee will be African dancing and drumming workshops with EKOME, the famous 12 member African dance troupe. These will be at 11 am, and 3 pm approx.

A Few Thoughts

This beautiful site is 150 acres and should be big enough for us all. There are lots of notices on our boundary fences, so please don't go into our neighbours' fields.

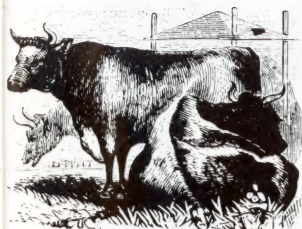

We have provided lots of wood for you, so please don't use the trees or hedges for wood. Please use only the fire sites provided as we must avoid additional fire risks.

Due to opposition from the local planning authority, there is a REAL possibility that this could be the LAST Festival to be held at Worthy Farm!

Much depends upon the way in which this year's Festival is conducted. Each person present can make an important contribution by ensuring that NOTHING happens to spoil our good record, or giving anyone cause to complain. Letters of support would be greatly appreciated sent to:—

Mr. R. Bush, Chief Planning Officer,
Mendip District Council,
Highfield House,
Shepton Mallet,
Somerset.

We have worked hard to make this event happen, and you have paid towards it. It is now yours. Care for it, participate in it and make it perfect. Have a beautiful time!

Road Map

Getting Home

ROAD: The nearest petrol station to the site is in Pilton Village. There is also an all-night service at Cannards Grave (see Map). These local supplies will certainly not be able to cope with the fuel needs of everyone at the Festival. So please, if you possibly can, re-fuel on your journey home, to leave enough fuel near here for those who really are short. Motorway service stations are always open, and we should have information on other garages closer to hand.

RAIL: The nearest station for London is at Castle Cary, with trains at 07.45, 09.04, and 20.19 on Monday. The journey takes approximately two hours. Trains to London from Bath are faster and far more frequent, and there is also a regular bus service from Shepton Mallet to Bath. (see time-table below). Trains and coaches to most parts of the country are available from Bristol. Unfortunately there is only one bus from Shepton Mallet to Bristol at 11.57, but, there are regular connecting services by bus and rail from Bath.

We would like to express our heart-felt thanks to the many individuals, organizations and companys who have given their skills and services over the past six months.

*FROM
Tennyson's
'The Passing of Arthur'*

*I am going a long way . . .
To the island-valley of Avilion;
Where falls not hail, or rain, or any snow,
Nor ever wind blows loudly; but it lies
Deep-meadow'd, happy, fair with orchard lawns
And bowery hollows crown'd with summer sea . . .*
